### FM WALLEYE PRESENTS

#### TIM HANSKE/TOBY KVALEVOG

**CAPTAIN TIM HANSKE**  
Captain Tim Hanske was born and raised in the Brainerd Lakes Area. He currently lives there with his wife, Kaarin, and son, Gus. He grew up on a small local lake fishing every day his parents would let him! That passion turned into a profession in 2003, when Tim chose guiding as his primary occupation. Tim graduated from Brainerd High School, then Concordia College in Moorhead with a degree in Exercise Science and Health. He then went on to earn his US Coast Guard Captain's License. College taught him many things, but the lake is where he belongs. Tim is known around the area as a multispecies guide. His passion is based around the challenge of catching any fish that will bite a hook. Throughout the year he fishes walleye, musky, large and smallmouth bass, crappies, sunfish, perch, steelhead, trout and even carp and suckers. Guiding is one of Tim's passions; he hopes to guide you to the fish of a lifetime.

**TOBY KVALEVOG**  
There aren't too many people that are more competitive than Toby. You could say that competition is in Toby's blood. He spent the first 18 yrs of his life playing hockey or thinking about it. He started as goalie for the University of North Dakota Fighting Sioux and since a National Championship run, he switched gears from stopping pucks to netting fish as a Competitive Angler. The Passion is the same, Toby says, "There is not a day that goes by that I don't think about my next event. Fishing is on my mind every day of the week."
